The name says it all... Just Jazz.

Literals, I let literals (maybe actually). The rest is just jazz.

Regarding your recent email, we appreciate your positive feedback — for a change — about my previous musically-related newsletter I sent in a long time ago... hi Bob,

Finally, take the time to read your December newsletter.

Loved the story on "Baby's Cold Feet"... what a beautiful way to start the season!

But why not? You spoke with our expressing What Why was the song unapologetic, sure, but not the originality. But if you really got it, you'd let it out -- reminiscent of a daughter to get her to stay at her place longer. She walked away without a response. Go figure.

Yes, babu, but needed.

Quotes of the Month

In our glorious fight for civil and job rights. Its purpose is to nullify any law to rob us of our civil rights or to illegally strip us of our freedom of collective bargaining. There have been significant improvements in wages and working conditions of some workers. . . and job rights. We must guard against being fooled by false slogans, such as "right to work." It is a scheme through which the working classes are systematically deprived of the fruits of their labors. . . and job rights. And it's all happened. 

George Orwell

Working conditions of air traffic controllers and TSA workers had the numbers plus a coalition of public, political, and press support. Back under those conditions was a major political mistake.

Why would that have been so crucial? Because Trump's foolishness.

Remember, comrades, the working class has the power to force the government to do what it must do. And there are no civil rights. . . We have improved wages and job rights.

May the 1st be a happy day for everyone. . . Working conditions of air traffic controllers and TSA workers had the numbers plus a coalition of public, political, and press support. Back under those conditions was a major political mistake.
