The American fascists are most certainly a part of the problem. They are part of the deliberate perversion of truth and fact. Their support is a disorienting, flagrantly evil campaign designed to create confusion and crack the common front against fascism. They claim to be destroying every ill. But they destroy every liberty. The real fascists, the great fascists, are those who maintain the ever-expanding totalitarianism of modern society and those who serve the plutocracy and the proletariat.

Fascism is an expression of a man against the plutocracy. ... It is not just the economic revolt of a class but the cultural as well as of an intellectual clique. ... They claim that the fascists are the ones who initiate the violence. But they ignore one crucial fact: violence is their language, the only language. If you can't or won't join the antifa, support the antifa, or assist the antifa, stay safely out of the way. Violence is their language, the only language. And one thing: if you're not going to confront the fascists, stay safely out of the way. Violence is their language, the only language.

And one thing: if you're not going to confront the fascists, stay safely out of the way. Violence is their language, the only language. Y... And here's something extra special...
