**Carl Fontana**

trombone playing.

Berlin Stan Kenton air check, this is required listening for anyone who loves modern jazz making a melody for the squares. I wasn’t making notes all the way. I wasn’t

**Steve Turre**

Delicious and Delightful (High Note). As usual, the latest entry in trombonist Steve Turre’s ever-expanding, never disappointing discography sets the bar for all contemporary jazz trombonists — make that all contemporary jazz players,
