**Anat Cohen**: Brazilian saxophonist Anat Cohen lends her bright tone, fluid technique, and rich imagination to a wide world of musical moods and modes in a new release that is a joy from start to finish.

**Bob Bernotas**: "I make a point of buying every release that Anat makes, and I think you should, too."

Anat Cohen's latest release is a triumph. Her band, led by pianist Uri Caine, includes bassist Andre Vasconcellos and drummer Marcio Bahia. The result is a tour de force that showcases Cohen's incredible range and virtuosity.
