December 2014

Hi Friends —

Last year at the time I told you about a terrific charity that does wonderful work, and recommended a way you can support their efforts, I didn't realize how many of you would take me up on my challenge to do something wonderful for others. Thank you so very much!

Brass for Africa, was formed in 2009 when musicians from England’s Bracknell and Wokingham Community Band raised money to ship some乐器 to the slums of Kampala, Uganda. Since then it has donated hundreds of instruments to children in orphanages, and has been supporting a refuge for vulnerable girls from the slums.

For more information about Brass for Africa and its many good works, please visit their website at BrassforAfrica.com. Just Jazz is also donating money raised through the sale of our November and December shows.

Help a child, spread the music — make the world a better place.

Here’s how you can do it:

1. Make your donation via Brass for Africa’s donation portal, HERE.

2. Then, email your invoice to: BrassforAfrica@gmail.com and their mailing address — to Jim Trott at the organization. Here’s the address:

PO Box 1894
Allamuchy, NJ 07822

3. Mr. Trott will write a thank you letter to the persons for whom you are donating and email it to each of you.

4. Email questions to: evets@wnti.org

PLEASE SUBMIT YOUR INFO AT LEAST TWO WEEKS IN ADVANCE.
